Route 2, Box 50
Olympia, Washington

TO OUR CUSTOMERS LIVING IN THE STATE OF WASHINGTON

The State of Washington requires that a tax of 2% be collected by all retailers of all merchandise sold within the state. Inclose tax order.

SHIPPING SEASON—Plants can be shipped from here at any time from November to May or later, excepting at times when weather prevents digging for short periods.

TERMS—Cash with order. All plants sold F. O. B. Olympia.

CONDITION OF SALE—We give no warranty, express or implied, as to description, quality, productiveness or any other matter of any plants, nursery stock or roots we sell, and will not be in any way responsible for the crop.

There are many contingencies to be encountered in growing plants such as weather, improper care, and other conditions, over which the seller has no control, so that success is not entirely dependent upon the plants. Therefore no guarantee to grow can be given.

Our plants are grown on our fruit farm and given the best of care and cultivation; our beds are state inspected, thus insuring your protection against disease and root wevils.

It is mutually agreed between the buyer and ourselves that we will not be liable for a greater amount than the original cost of plants or nursery stock, if at any time any should prove to be not true to name.

NOTICE—The State of Oregon has a plant quarantine prohibiting the shipping of the following plants into the State of Oregon: Red or Black Raspberry, Logan, Youngberry, Blackberry or Boysenberry.

All Raspberry and Black Cap plants are free from Mosiac. Field inspection by State Inspector.
